Abstract

This is the abstract of the paper. An abstract summarizes, usually in one paragraph of 300 words or less, the major aspects of the entire paper in a prescribed sequence that includes: 1) the overall purpose of the study and the research problem(s) you investigated; 2) the basic design of the study; 3) major findings or trends found as a result of your analysis; and, 4) a brief summary of your interpretations and conclusions.*

Keywords: Word order typology, language evolution

1 Introduction

You can also load the cached file, Greenberg (1963) check the environment to see whether the variables have already been saved (Dryer 1992).

In self-paced reading, the verb is read faster in such examples when it follows the semantically rich and complex noun phrase in 1a (“the book that Lisa bought yesterday”) than when it follows the short object noun phrase “the book” in 1b, where the relative clause is extraposed (Konieczny 2000).

- (1) Expectation-based facilitation in German
 - a. Er hat das Buch, [das Lisa gestern gekauft hatte], hingelegt.
he has the book that Lisa yesterday bought had laid.down
 - b. Er hat das Buch hingelegt, [das Lisa gestern gekauft hatte].
he has the book laid.down that Lisa yesterday bought had
‘He has laid down the book that Lisa had bought yesterday.’
